>Thank you for the information you provided regarding the event you will be hosting on February 5-6. To recap our conversation, your group is a non-violent activist group (not protestors) that are coming to the DC area to meet with Congress and host a conference for your national membership. The majority of your visit will be dedicated to meetings on Capitol Hill in one of two reserved rooms in the US House of Representatives and visitors will utilize a reserved shuttle bus from the group hotels to the Capitol. The majority of your guests will be staying at the Crowne Plaza Hotel (1480 Crystal Dr.) and the Holiday Inn - National Airport (2650 Jefferson Davis Hwy). The total number of guests will be approximately 500. On February 6, from 2pm-5pm, you will be hosting a national conference in the grand ballroom at the Crowne Plaza Hotel. You do not plan for any organized rallies, marches or protests and do not anticipate any intentional arrests or

other acts of civil disobedience or violence. This event is the first of its kind for your group so you are uncertain if any opposition groups intend on protesting your cause during your visit.
