I need some witnesses in Missoula. Anyone up or that?

Huh? So someone is stalking you and you are going to go see them? Not only that but you are going to announce the trip publicly fo

Here's an interesting decision - nothing to do with the show down in Missoula, but relative to our discussions.

Cox lost a suit brought against her for defamation, judgement was \$2.5 million. Her defense was that she is "media" and subject to p public figure/corp. The judge decided she is a blogger, not media and her target is not public.
