I just got to work but i will on my lunch break. Wow. This is just madness! Why would anyone want to hurt us like this. We've done nothing to anyone. Frankly. I'm scared. I do not want them going after Noah with this stuff. He couldn't handle it. This is just awful.

I checked the IP address that hacked my Facebook and it is located in Mississippi. So it's not Allie. Are you familiar with anyone from that state that is causing problems?
