The Beatles - White Album

Released: 1968

The Beatles' eighth studio album, the 'White Album', is a double album consisting of thirteen songs by the four members of the English rock band. It was released on September 27, 1968, in the United Kingdom and on October 11, 1968, in the United States. The album was recorded at EMI Studios (now Abbey Road Studios) in London, England, and is the only Beatles album to feature all four members of the band on every track. It is also the only Beatles album to feature a cover of a song by another band, 'I Am a Fool' by the Beatles. The album was a commercial success, peaking at number one on the UK Albums Chart and number two on the US Billboard 200. It was certified Gold in the UK and Platinum in the US. The album is considered one of the best of the Beatles' career and one of the best of the 1960s.

Hey guys! I'm finally home! I had a great trip and I'm ready to get back to work. I'll be sure to catch up on all the things I missed. Love you all!

25014 Snow Leopard *·* [Profile](#)

This is a beautiful snow leopard. I found it in the mountains of Central Asia. It's a majestic animal and it's in danger of extinction. We need to protect it and its habitat.
