Motion and Notice for hearing

1. Defendant Mark Supanich moves the court and gives notice to plaintiff William Windsor Pro Se 514 Americas way #4841Box Elder, SD 57719

and defendants of record with known addresses

Allie Overstreet 1208 main Street Higginsville Mo.

To have the court rule on the previous motions submitted to this court by defendant Mark Supanich.

Motion to dismiss for lack of jurisdiction. Motion to strike plaintiffs complaint and affirmative defenses , Motions for judicial notices. Motion for an all writs injunction .

There is a hearing on this matter scheduled on July 16 at 11 am.

Defendant Supanich moves this court to take up his motions at the same hearing on July 16th at 11am 2013

2. In addition to the above motions defendant Supanich respectfully objects to and moves

this court to deny Plaintiffs motion to extend time. It is not any of the defendants fault that petitioner has decided to travel the country while he is in litigation. This should not

be considered good cause under civil rule **65.01**. If he can't keep up with the two existing defendants pleadings,

how does he plan on doing it with the other thousand defendants?

Petitioner has not shown just cause for extended time and it should be stricken and it should not allowed.

Plaintiff continues daily to stalk, harass, cause intentional emotional harm and defame defendants daily on the internet.

Wherefore Defendant Supanich respectfully moves the court to make an order and judgment to protect defendants by granting the all writs injunction, dismiss the plaintiffs case and or other relief the court sees fit including the reimbursements of all loses caused by the plaintiffs frivolous filings to this court and the defendants. Under civil rule **55.05**. Relief in the alternative or of several different types may be demanded
