Motion for an All Writs Injunction

Defendant Mark Supanich moves this court for an all writs injunction preventing Plaintiff William B. Windsor from filing any further pleadings in this case or any other case in the State of

Missouri. I also move this court to order Plaintiff Windsor to remove all content on his web , facebook

and youtube accounts and not to have anymore in the future This court not only has the authority but the

duty to do so to prevent any further harm to the defendants, tax payers and future victims of Plaintiff

William B. Windsor. Although the 1st amendment protects freedom of speech, all speech is not protected see. Case

Many of plaintiff Windsors postings are of no interest to the public and should have been left private

1. Imminent likelihood of continuing irreparable harm if permanent injunction not issued. As shown in my motion to take judicial notice, Plaintiff Windsor will not stop with his frivolous lawsuits and filings of criminal charges. Plaintiff has also said on the record in case #

13LF-CV00289 Missouri court. (Defendant Supanich also requested this court take judicial notice of

that case)That he has no intention of stopping and will

make a special movie About defendant Overstreet.

2. Unavailability of adequate remedy at law, i.e., an award of money damages alone will not restore the defendants threatened loss. With reckless, intentional intent and malice, Plaintiff

Windsor is going around the country stalking, harassing, ruining peoples reputations, destroying relationships between couples, posting

private information about minors, adults and peoples work contact information. He has caused great emotional distress that I have seen and felt first hand. He has posted for the world to see,

telling people not to deal with the non profit Washington Families United which I was

the president of after donating many thousands of hours of my time in the past 7 years. I put in my

notice to resign so as not to cause any more damage by Plaintiff to their 15 year positive reputation.

Windsor is driving around the country hunting down people he claims are making death threats against him. He started making false claims of death threats after one man posted the laws about protecting themselves from trespassers and intruders. Anyone that has disagreed with plaintiff is now or will be on his list of stalkers and haters he plans to bring frivolous lawsuits against and

file criminal charges against them. He also has started making "special movies about them"

3. Threatened harm to defendants outweighs any possible harm to Plaintiff.

An all acts writ to prevent him is necessary and jail or a mental health exam is warranted for the harm he is causing.

4. Granting of injunction will not contravene the public interest.

Granting the writ would be in the best interest of thousands of citizens and millions of tax payers

5. Defendant has attached a very small sample as Exhibit A showing some the facts on which he seeks the permanent injunction.

6. For obvious reasons Defendant moves this court to place under seal the sick and degrading Face Book posting about the minor child in Exhibit A. All these postings are from Plaintiff's web page Lawless America and his Lawless America face book account he started after being court ordered not to file any more lawsuits in any court.

Exhibit A

where this is said is attached as Exhibit 23 hereto.

Despite cease and desist notices, Overstreet continued to post lies about me. She repeatedly request for retractions.

In her own opinion and belief, Overstreet lied about sexual abuse of her daughter by her ex-husband. Anyone who would go on camera and lie about something like that is capable of saying and doing anything. Overstreet expressed to me on multiple occasions that her ex-husband licks their 3-year-old daughter's butt and peepes, she likes her poop garage, likes her butthole candy, liked to eat her butthole, and more. Anyone like Overstreet who makes up one lie after another (as she has done to damage me) is definitely capable of saying and doing anything. I am not a stalker. I am not a stalker. I am not a stalker.

I am especially interested in speaking with the father of her child who she claims uses his big hairy worm on her infant daughter. I also want to speak with any other family members who can shed light on this person who I believe falsely claims to be a victim.

Please email me at nobodies@att.net or call 770-578-1094.

I can arrange a cash reward for the first person who can provide proof that Connie's "hairy worm" video was staged or otherwise falsified.

A \$1,000 reward has been posted for the name and address of Ginger Snap and each of the main screen names used on

Great. No. I am hiding in the basement. I didn't actually say I left. I just wanted folks to think that. My DVD victim has let me down he hasn't called me back. So I may have to buy a big disc burner once I get the master done. I will not get away now until Saturday after FedEx comes. I plan to arrive in Arlington at noon on Sunday. When do you arrive, and where are you staying again?

Thought so. Ha. I'm getting good at your wording.

I arrive at 4pm Monday. Staying at the skyline Inn across the street from the capitol building. Departing 3pm the 7th.

I once believed Mark Supanich's story about his daughter being allegedly abused, but based upon what he has done with Allie, I now suspect that he lied, too. If people will lie about me, they damn sure will lie trying to hurt their exes.

Mark Supanich is the President of Washington Families United, so I respectfully submit that it is a group that should not be supported as long as Mark is involved.

I have already filed criminal charges against **Allie Loraine Yager Overstreet aka Allie Overstreet aka Lori Overstreet**. I have also filed criminal charges against Mark Supanich. I have begun the process of filing civil actions against them and a number of others.

If you are anywhere near Lexington, Missouri on Monday April 8, 2013 at 1 pm, please join me in Courtroom B of the Circuit Court of Lafayette County. I promise an exciting hearing. I will be available the evening of the 8th and all day the 9th to film anyone who wants to come to be filmed. Unless I get sent to the big house.

Here is the **Criminal Complaint** that I filed against **Allie Overstreet** on **March 12, 2013**. I filed a police complaint against her with Officer Denson in Cobb County Georgia on February 15, 2013.

Here is the **Verified Complaint** against **Allie Overstreet, Mark Supanich, and John Does** that was sent to Missouri for approval for filing earlier this week.

If you haven't read about Allie Overstreet, you may want to read these articles:

BILL WINDSOR OF LAWLESS AMERICA SCHEDULES FILMING OF TV SPECIAL ON THE UNIVERSITY OF MONTANA AND ONE OF ITS EMPLOYEES. THIS IS THE FACEBOOK ICON THAT HE POSTED ON MY FACEBOOK PAGE A WHILE BACK.

I will film a TV special June 17-21, 2013 in... Missoula, Montana.

I am spending a lot of time in Missoula as I believe a man who has threatened to kill me is there. He is an employee of the University of Montana. I intend to try to locate anyone and everyone I can who knows anything about this guy. The special will explore whether this man actually works for the government through the University of Montana as a paid cyberstalker. There isn't any other logical explanation for why law enforcement ignores what this guy does. There are as many as a dozen people who have come forward to report that he has cyberstalked them. I hope to interview most of these people for the TV special.

While in Missoula, I will be filing charges against this man and the University of Montana with the university, the police, the sheriff, and the FBI. This man indicates that if I drive by his home in Stevensville to film his home, he will shoot me. I plan to drive by and film, but I will wear body armor while in Missoula, and I will hire an off-duty police officer or sheriff to accompany me. I will also travel in an unmarked car.

Anyone who would like to join me while I am in Missoula is certainly welcome. Bring protection, if it is legal in Montana. I could REALLY use a cameraperson to go with me and film me as I do all this stuff
