Lawless America Movie Road Trip II Report from Bill Windsor - June 3, 2013

Monday, 03 June 2013 00:00 William M. Windsor

This website has been down for almost a month. Utterly ridiculous situation.

Well, it's kind of up, though not functioning exactly as it should, and it is slooooooow.

A lot has happened in the last 28 days, so I will publish several updates.

I am filming in Las Vegas on June 4-5, 2013.

Here is the schedule for June 5:

10:00 am -- Costco, 801 S Pavilion Center Dr, Las Vegas

11:30 am -- Las Vegas Metropolitan Police Department, 400 S Martin Luther King Blvd, Las Vegas, NV 89106

12:30 pm -- Clark County (NV) Regional Justice Center, 200 Lewis Avenue, Las Vegas, NV 89101

1:30 pm -- Clark County Family Court Center, 600 N Pecos, Las Vegas, NV

2:30 pm -- United States District Court, 333 Las Vegas Blvd S, Las Vegas, NV

3:30 pm -- Las Vegas Strip, Las Vegas Blvd S, Las Vegas, NV

Times are approximate, as I will go from one location to the next the minute filming is completed at a location. To ensure that you meet up with me and get filmed, I suggest that you go to the Las Vegas Metropolitan Police Department not later than 11:30 am on June 5. Filming is done on a first-come first-serve basis, and I head to the next location the minute all have been filmed at a location.

To reach Bill Windsor and Lawless America, email nobodies@att.net -- but please realize that when I am on these trips filming, I may not see your email for days or weeks or ever if your email subject line does not say BE IN THE MOVIE - (CITY NAME) in all caps.

I filmed from 11 am to 2 pm in Phoenix on June 3, 2013. The back stories were filmed for the family court corruption cases of Karla Johnson, Sara Johnson, and Rita Lupper. We filmed at the Johnson residence and at two CPS offices. I was asked to stop filming and leave both CPS offices. That's why when I show up to film at locations, those being filmed need to be ready (as everyone was on June 3) because the subjects moved right into position as I popped the tripod, camera, and microphones out of the back of the Jeep. I quickly set up and filmed. The evictions came after I got what I needed on film.

So, when I come to film you on location, please be ready. You need to write out what you plan to say about the significance of the location. Then, no reading on camera, look at me, and tell me the significance when I say "rolling" and signal to you.

Phoenix to Las Vegas

I visited Wickenburg, Kingman, Yucca, Toppock, Needles, and Searchlight on the way to Las Vegas. I filmed a short segment for the movie in Kingman, standing beside Route 66.

Medical Report

My mouth healed. I contracted a little food poisoning the other day, but other than that, I have been okay.

Relocation

When I left Georgia in April, I ceased to be a resident. I am obtaining residency in South Dakota.

Some have speculated that my relocation announcement is a ruse to protect my family. It's not; it's real. Part of the motivating factor is protection for my family as they have been terrorized by threats that we have received. They will feel safer if I am not around. Central North Texas is also an ideal location from which to travel to film stories and help people.

My wife and I are separated, and as I understand it, the divorce should be final soon.

Miscellany

I have had really disappointing food lately. It is very hard to try to diet while traveling. I've got to work harder at it.

I have much more to report, but i want to get this posted. As always, you can stay up-to-the-minute at www.facebook.com/lawlessamerica.

If You want to be Filmed

I'm sure some folks will get lost in the cracks. If you want to be filmed on this trip and haven't communicated that fact to me since April 1, please email again with your name, address, phone, link to your Facebook page (if you have one), and a brief summary of your story. Put BE IN THE MOVIE in all caps in the Subject line as I only have time to look for emails with the subject in ALL CAPS. This is currently the only way that I can deal with as many as 1,000 emails a day.

It is SO IMPORTANT for people who want to be filmed to email me. I will not be able to return to every state, and I will not be able to film everyone who wants to be filmed. Please let me know if you want to be filmed, and provide the basic information that we need as we

If you have not already responded on these points, please provide the following by emailing nobodies@att.net with LOCATION FILMING in all caps in the Subject line (if you were previously filmed) or with BE IN THE MOVIE in all caps in the Subject line (if you have not yet been filmed):

1. Your name and all contact phone numbers.
2. A list of the names, addresses, and phone numbers (if applicable) of every location that would be meaningful to your story, with a sentence to explain the importance.
3. A list of the key documents or other things that you feel would reinforce your story.
4. The names, addresses, and phone numbers of people who I might confront who would be meaningful to your story, with a sentence to explain the importance.
5. The names, addresses, and phone numbers of witnesses who I might interview who would be meaningful to your story, with a sentence to explain the importance.

To those who have been or want to be filmed, here is an example of the types of locations that I want to know about:

Alleged murder scene, place of arrest, police station where arrested was taken, courthouse where case was tried, names and addresses of corrupt people involved, any background that would add human interest (high school attended, place worked, place married, etc.), prison where incarcerated, and anything else applicable.

We want to visually tell the story -- not just show you telling the story. So think of your story, and think of all the ways to make it visual.

You need to gather this information and send it to me -- Email nobodies@att.net with LOCATION FILMING in all caps in the subject line.

If you haven't been filmed and want to be considered for filming, you must email [**Nobodies@att.net**](mailto:Nobodies@att.net) immediately to indicate (or reconfirm) that you wish to be filmed. Put the subject in all caps: BE IN THE MOVIE. Please provide your name, address, telephone numbers, and include a link to your Facebook page in the email, if you have one (and any other website or blog that you have). This is part of the security screening. You will then need a driver's license or passport for identification at the filming.

The filming locations will only be provided by email to those who confirm their attendance. Anyone who belongs to a hate group need not attempt to be filmed.

Everyone who is filmed must sign a **Release Form**. Please print this, fill it out, sign it, and bring it with you.

Everyone who is filmed should prepare for the filming by reviewing the **Lawless America Filming Instructions**.

Everyone who is filmed should prepare a three-minute Congressional Testimony summary. This will be filmed. You also need to send me a Word file or text file of this to [**nobodies@att.net**](mailto:nobodies@att.net) with the subject in all caps: TESTIMONY SCRIPT.

To the thousands who have requested to be filmed, who have not yet been filmed, and who may not be on the route for Trip II, please find a computer with a webcam, and record yourself. Use our **Lawless America Self-Filming Instructions**.

The Basics

Lawless America...The Movie is all about exposing the fact that we now live in Lawless America. We no longer have laws that are enforced because judges do whatever they want to do. America has also become lawless because government officials are dishonest and/or corrupt.

The movie will expose corruption in every state. The Movie will focus on victims. Corrupt judges and corrupt government officials will be exposed, and we hope to confront a number of the crooks.

If anyone has ever questioned the story of a person who has expressed the view that they were a victim of the government or of judges, this movie will prove that the odds are that the corruption report was true. In fact, there are probably tens of millions of victims in the United States who never realized what happened to them.

One feature length documentary movie is being produced. It will be shown in theaters, on Netflix, Blockbuster, and other such video places, and the movie will be presented at the Sundance Film Festival and other film festivals, if the movie is accepted in their application processes.

In addition, videos will be produced for each state **and for each type of corruption**. Everyone who is interviewed for the film will record a three-minute segment that will be done as testimony before Congress, and as many as possible will have a 30-60 minute on-camera interview with **Bill Windsor**, founder of **LawlessAmerica.com** and **GRIP**, and a recent candidate for the U.S. House of Representatives. The legislators in each state will receive the testimony from those in their state, and the members of the U.S. House and

Senate will receive all of the testimony nationwide. Every member of the United States Congress has already been given a DVD with the initial round of testimony. That DVD will, however, link every member of Congress to all new testimony, too. At the end of Lawless America Movie Road Trip II, we will begin distributing the testimony to every member of the legislature in each state. We will deliver **proposed judicial reform legislation** to the governor and legislators at each state Capitol.

Over 5,000 people have requested to be interviewed for the movie, and approximately 1,300 were already filmed. We will continue to accept as many requests as possible.

When will The Movie be filmed?

Filming began in Atlanta, Georgia in March 2012. The 50-state Lawless America Movie Road Trip I began on June 14, 2012 and lasted for 241 days. Lawless America Movie Road Trip II began on April 6, 2013 and will last for approximately 86 days.

Where will The Movie be filmed?

CPANEL

The movie will be filmed in all 50 states.

Here was the itinerary for the Lawless America Movie Road Trip I.

Filming of interviews has been done primarily in hotels and is now to be done in the Lawless America Mobile Film Studio. Location filming will be done either at state Capitols, at courthouses, and at locations that are important to stories. For those who are unable to meet me, you can still appear in the videos by recording your own video.

Why is the Movie being produced?

It is our hope that this movie can educate many, many people about the reality that America is broken. We will expose many corrupt judges and government officials. We hope to generate a lot of publicity about corruption that the mainstream media usually hides from the public.

We will deliver proposed judicial reform legislation to the governor and legislators at each state Capitol.

We will produce videos that may be used by those battling corruption in each state as well as those battling the specific forms of corruption.

Who is Producing The Movie?

Bill Windsor is the Producer/Director. The film has been financed solely with donations, primarily from the victims. Professional video and audio equipment has been provided. Everyone helping with the movie has been working for free.

A non-profit 501 c 3 entity was formed: Lawless America Association.

What quality will The Movie be?

This will be a professional product. We have professional high definition video cameras (Canon XF 300) and a variety of pro audio equipment.

Bill Windsor's family was in the broadcasting business for 50 years. His father began his career writing jokes for W.C. Fields, and he managed radio stations and television stations from 1947 until the late 1990's. He was President and CEO of groups of stations and owned some stations. Bill learned to operate TV cameras in high school, and he was a DJ and announcer for radio and TV stations in high school and college. Bill hosted his first television talk show in Orlando on the ABC station in 1970. Bill was a magazine publisher, trade show and conference producer for 25 years. His brother has worked as an anchorman at TV stations as well as news director, and he operated a consulting company that provided training to thousands of announcers and TV reporters. Bill's father, brother, and he have all owned and operated dinner theatres, and Bill has produced a number of live shows and events during his career. Bill has had a number of consultants who have contributed to the

planning. During the Lawless America Movie Road Trip I, Bill Windsor filmed for approximately 200 days, generating over 15 terrabytes of digital footage -- close to 15,000 takes.

The crew at each location will be volunteers.

The editing and post-production work will be done by professionals.

How can You be in The Movie?

Email [**nobodies@att.net**](mailto:nobodies@att.net) with the subject in all caps: BE IN THE MOVIE. Send your name, address, phone, fax, email, and website (if any). Provide a short paragraph summarizing what you will testify about.

We are requesting information that will be kept confidential by us, but it will be used to help us contact you now and later, and the information might prove to be helpful to me when I interview you. In your email response, please provide as much of the following as you care to provide:

1. Your full name
2. Your street address
3. Your city
4. Your state
5. Your zip
6. Home Telephone
7. Cell Phone

14. Spouse or significant other's name (if applicable to your story)
15. Children's names and ages (if applicable to your story)

17. Title (optional, but part of the film is to demonstrate people from all walks of life)
18. Employer (optional, but part of the story is to demonstrate people from all walks of life)
19. Names and contact information from any witnesses who might be helpful in corroborating your story (optional)
20. Names and contact information for people who have made you a victim (optional – but we will be trying to confront or interview some of the bad guys)

Then write up a three-minute script for your testimony, and email it to [**nobodies@att.net**](mailto:nobodies@att.net) with the subject in all caps: TESTIMONY SCRIPT. Please include a recent photo, if possible. We MUST HAVE your three-minute summary as soon as possible if we are to be able to guarantee that you will be interviewed for the movie. Here is an [**example of a three-minute testimony script**](#).

When we come to your state, we will begin by filming your three-minute testimony. You will read your script as if you were testifying before Congress.

Once we have your three-minute testimony recorded, I will interview you on camera, as time permits. These interviews may last for 30 to 60 minutes depending upon the complexity of

your situation.

For the interview, you are welcome to submit additional information about your story. The more information, the better. I want to be able to read about your ordeal so I am prepared to ask the best questions. I am especially interested in evidence of the corruption. If you have ever recorded a video, or if there are news videos about your ordeal or the corrupt officials in your case, please be sure to send links to those. If there are letters, court orders, motions, news stories, or anything else important, please send it if you can. If you have or can obtain photos of the people and places involved, we can drop those in as part of the video, so please send me whatever you have (and in the largest format jpg that was originally created as the larger the format, the better the quality for our needs).

We will have a high-speed scanner in the Mobile Film Studio, and we can scan documents that you bring. But if you can scan them ahead of time and bring us a zip drive or CD or DVD with the documents in pdf files, that would be fantastic.

How can I be in the videos if I can't travel to meet you?

If I am not coming to your town and you cannot travel for the filming, I encourage you to record a video to send to us. If you have a webcam, it's easy. Record a video and upload it to YouTube. Here are the [Lawless America Self-Filming Instructions](#).

Can my Identity be Concealed?

Yes, if you need to remain anonymous, we can conceal your face and disguise your voice electronically.

Anyone who needs to remain anonymous will be allowed to approve what we film before we will use it.

What will I get if I am in The Movie?

You will help expose corruption!

Your consideration from Lawless America and me is that I spend my time and use our equipment to film you.

Each person who is filmed presenting a three-minute testimony who is determined by me to be credible may link to the video that we place on YouTube. Put a link on your website.

Each person who is filmed who is determined by me to be credible will also receive a copy of the video that will be produced of all those filmed from your state.

Each person who is filmed who is determined by me to be credible will also receive a copy of a video featuring people from all over the country who are experienced the same type of corruption as you (family court, probate, etc.)

I reserve the right to exclude anyone from the film and videos who I choose to exclude. Those for whom we have a question about credibility, those who I feel have lied, anyone who belongs to a hate group, and rude people are all examples of those who we may choose to exclude.

In total, we will produce one documentary movie; one video of all testimony that will go to

every member of the U.S. Congress; 51 videos by state that will go to each member of each state legislature; 750+ videos -- one for each person appearing in the film/videos; and 14 videos for the special interest areas (children and family court corruption, divorce court corruption, foreclosure fraud; corporate fraud and corruption; probate/guardianship/elder abuse and corruption; criminal court corruption; civil court corruption; law enforcement abuse and corruption; military corruption; attorney misconduct and corruption; bankruptcy court corruption; government agency corruption; vote fraud; political corruption). That's 816 videos to come from this one project.

All of the videos will stream continuously on www.TVChannel1.com and www.Livestream.com/LawlessAmerica, and all will be available on the [LawlessAmerica Channel on YouTube](#).

I will broadcast live every Sunday night from 9-11 pm Eastern Time while I am on the road. Those who want to stick around after they are filmed will be invited to participate in the show.

As consideration, each person filmed will be listed in the cast for The Movie in the credits at the end of The Movie.

How can folks Help with The Movie?

Donate!

Lawless America Association is a non-profit without any funding except the funds received from individual donors.

I hate to ask people to donate, but we do not have money. You may send a check to Lawless America Association, PO Box 681236, Marietta, Georgia 30068, or bring a donation to your filming. You may also donate using PayPal to williamwindsor@bellsouth.net. All donors will receive a receipt from Lawless America Association.

Buy T-Shirts. \$20 for S-M-L-XL, and \$23 for XXL and XXXL. These prices include postage. We will have an inventory of T-Shirts in the RV.

Please email nobodies@att.net with the name and contact information for any people you know who should be considered for the movie; enter BE IN THE MOVIE in all caps in the Subject line. We need a good representation of victims from the variety of forms of judicial corruption and government corruption. For example, we hope to have at least one person in each state to testify about children and family court corruption, foreclosure fraud, divorce court corruption, probate corruption, law enforcement abuse or corruption, etc.

What can we do to help make the filming an event in our state?

We would love to have it be an event when we are filming.

Getting as many people as possible to show up while we are filming will be a big help as a camera with a crowd will create an event. So, encourage people to come, and encourage them to bring signs with messages against judicial corruption, government corruption, and dishonesty in government.

You can help by trying to get any groups/organizations with an important message to join us

while we are filming.

We also need help getting the media out to cover it. If we have a big crowds with signs, this will certainly help us get coverage. We will be traveling with a dozen generic signs that we will allow those interested to carry while we are in town.

What other help is needed?

We need one person to act as a coordinator in each town where we film. Email nobodies@att.net with the subject in all caps: FILM COORDINATOR - (YOUR STATE AND CITY).

PLEASE login to Facebook, and then click on the "Share" button in the right column. This will send this article all over the Internet.
